Ramesh D. Kalicharran's vast knowledge of travel in general, and of India in particular, confirms that often times the journey is as memorable as the destination. For on such an exciting journey to India, the traveller needs not just the assurance that he is in good, experienced hands but that he is entertained, enlightened, and made to feel at home.

TOUR DIRECTOR

Because Kali Travels have been conducting Bharat Yatras for over two decades and because every one of them has been personally planned by Kali himself, he has established himself as the pre-eminent Indo/Caribbean pioneer in this saga where East meets West.

For the Indo/Caribbean peoples Bharat Yatra is infinitely more than just a journey to Roots, it is a moment in time for them to have a glimpse of India's legendary mysticisms.

The visitor therefore needs, more than just a tour guide, he needs someone who is not just familiar with India, but who, like Kali, embodies what India stands for. Tourists from North American continent are equally at home with Kali.

Ramesh Kalicharran has over the years become synonymous with Bharat Yatra. You think Bharat Yatra and Kali Travels inevitably comes to mind. Bharat Yatra and Kali Travels have a psychological link.
